Long Answer Type Questions

1. Imagine that one of Mr. Herriot's partners can understand the language of dogs and listens to Tricki on his last night with them.
 - a. What might Tricki share about his experience?
 - b. How would he evaluate it in comparison to his home experience?
 - a. I am sad to leave you people and go back to Mrs. Pumphrey's house. It's not that I don't love her. I really love her a lot and also care for her affection and care. But I miss the company which I got here. There I keep lying on my couch and keep eating the delicious which are provided to me. I long for my friends. I too want to run, play and exercise like them. This is the reason I'm unwilling to go back to Mrs. Pumphrey's house.
 - b. I received great care here in the hospital. The first two days I missed the food that I got in my house. But I actually, felt lighter the third day. I loved joining my friends and their friendly barking, fighting with them for share of food and hunting rats at night. You know, food, good bedding and best care can never replace the feeling of freedom that I experienced here in the hospital.
2. Imagine that Walt Whitman shares his poem 'Animals' in response to Dr. Herriot's narration of Tricki's story. Dr. Herriot reflects on the poem and his experience with Tricki and Mrs. Pumphrey, draws a connection between them and records his thoughts in his diary. Write the diary entry as Dr. Herriot. You may begin this way:

12 May 1950, Friday 9.30 pm Walt's poem has compelled me to think again about my experience with Tricki and Mrs. Pumphrey. All those materialistic playthings

12 May, 1950, Friday

Walt's poem Animals has compelled me to think again about my experience with Tricki and Mrs. Pumphrey. All those materialistic playthings and uncontrolled food couldn't help Tricki to retain his health. When Mrs. Pumphrey found that Tricki was no more active and energetic, she tried to give more nutrients in his food to make him more energetic. But she was not giving him exercises. In fact, Tricki was not suffering from any disease. Poor animal couldn't resist eating food and used to have meal at any hour of the day or night. As a

result, he had become glutton. But he didn't complain about his condition. Nor did he complain when he was kept starving for two days in my hospital.

The same wonderful and insightful message has been given by Walt Whitman in his poem Animals. He says animals are a more content and wiser than the humans. They are calm, placid and self-contained.

3. Mrs. Pumphrey, the overindulgent and caring mistress of Tricki pampers her pet dog like a spoiled child. Comment.

or

Give a brief character - sketch of Mrs. Pumphrey.

Mrs. Pumphrey was quite a rich and resourceful lady with a large number of servants and maids. She was passionately attached to her little pet dog Tricki. She was much worried about Tricki's miserable condition. Tricki had become hugely fat and listless. She thought he was suffering from Malnutrition. So, she started giving Tricki malt, cod-liver oil and a bowl of Horlicks at night.

Being overindulgent, Mrs. Pumphrey even ignored Dr Herriot's advice. "The doctor knew that Tricki's only fault was his greed for food. He had advised Mrs .Pumphrey to cut down food and sweets for Tricki. He also advised her to give him plenty of exercise. The dog was to be kept - on a very strict diet. For Mrs. Pumphrey it was very difficult for her because she pampered Tricki like a spoiled child. This only compounded Tricki's misery. His condition worsened. He lost appetite and started vomiting,.

Mrs. Pumphrey was impractical but very compassionate and caring. She and her staff arranged all comforts, beds, cushions and toys for Tricki. She constantly enquired about his health from Dr. Herriot. She gratefully thanked Dr. Herriot for saving Trick's life and called it " a triumph of surgery". Had she been a little more practical and disciplined, things might have not gone that far.

4. Give a character sketch of Tricki

Or

Tricki was more than a dog. He was more like a spoiled child of overindulgent mistress, Mrs.Pumphrey Comment.

Tricki was definitely more than a dog. Actually he was like a pampered child of Mrs Pumphrey. Tricki was a small dog. The only fault of Tricki was his greed for food. Overfeeding and overdose of sweets, cakes and chocolates made Tricki hugely fat. He became rheumy and

listless. His tongue lolled from his jaws. The doctor advised Mrs Pumphrey to keep Tricki on a very strict diet and give him plenty of exercise.

Tricki became a victim of overindulgence and over feeding. Dr. Herriot's instructions were ignored. Tricki lost appetite and started vomiting. Dr. Herriot suggested Mrs. Pumphrey that Tricki be hospitalised under his observation for a fortnight. Tricki was so much attached to her that she almost fainted merely at the thought of his separation. Tricki was highly pampered. The entire staff and maids were ever-ready to pamper him with beds, cushions, toys, etc.

Tricki's recovery was amazingly rapid. He was not given food but plenty of water. After a few days, Tricki started taking interest in his surroundings. He was transformed into a flexible and hard muscled dog. Tricki showed his love for his mistress by jumping onto her lap when she came to collect him.

5. Dr James Herriot was a competent veterinary surgeon. His practical approach and common sense helped in the rapid recovery of Tricki. Comment or Give a character sketch of Dr James Herriot

Dr James Herriot no doubt, was a competent veterinary surgeon. He was really worried about Tricki. He understood that the real fault of the dog was his greed for food. He never refused food. The dog had become hugely fat and listless. Dr. Herriot also suggested to cut down sweets to him. He advised her that Tricki must be hospitalised for a fortnight under his observation.

Dr James Herriot was practical and pragmatic. He didn't give any medical treatment to the dog. The dog was not given food any but lots of water. His method worked. Tricki's recovery was surprisingly rapid. Tricki was transformed into a flexible and hard muscled dog. He was not only out of danger but was soon handed over to his mistress. The grateful mistress thanked Dr Herriot and called his feat "a triumph of surgery!"

Dr James was clever enough to enjoy best of both the worlds. He was tempted to keep Tricki on as a permanent guest. It was a happy period for Dr Herriot and his friends. He enjoyed eggs for breakfast and wine and brandy for lunch.

6. Why did Mrs. Pumphrey the mistress of Tricki, make a frantic call to the noted veterinary surgeon, Dr James Herriot? How did Dr. James Herriot succeed in curing Tricki?

Mrs. Pumphrey, the mistress of Tricki was an overindulgent lady. She pampered and even spoiled her pet dog. Dr. Herriot instructed her to keep Tricki on a very strict diet and give him a lot of exercise. She ignored him. It was very difficult for her to deny Tricki sweets, cakes and chocolates. She gave a frantic call to Dr. James Herriot only when Tricki's condition worsened. Tricki lost his appetite and started vomiting. Dr. Herriot advised that the dog be hospitalised under his observation for a fortnight. It was difficult for Mrs. Pumphrey to accept it but she accepted it only to save Tricki's life.

Dr. James Herriot knew that Tricki's only fault was his greed for food. He didn't give him a medical treatment. He didn't give Tricki food but a lot of water for a few days. His method worked. Within a few days, Tricki's was out of danger. His recovery was rather rapid. He started taking interest in his surroundings. His appetite came back and he ran along with the other dogs in the garden. Dr. Herriot informed Mrs. Pumphrey that Tricki was completely cured and she could collect him. The grateful mistress thanked the doctor and called his feat 'a triumph of surgery!'

7. Why did Dr. James Herriot say that he was tempted to keep Tricki on as a permanent guest? Give a reasoned answer.

Dr. James Herriot was not only a competent veterinary surgeon but also a clever man of the world. No doubt Tricki was in a highly miserable state when he was brought to Dr. Herriot's surgery. The doctor gave no medical treatment to the dog. He didn't give food but a plenty of water for a few days. Tricki's recovery was rather rapid. Soon, he was transformed into a flexible and hard-muscled dog. The grateful mistress obliged Dr. Herriot and his friends. Hits partners and he himself had two eggs each for breakfast. Lunch became a ceremonial occasion. The grateful and fabulously rich mistress of Tricki, treated him warmly with liberal servings of wine and brandy.

Dr. James Herriot was enjoying the best of **both** the worlds. He had no hesitation in accepting Mrs. Pumphrey's tempting services. Naturally it was a temptation for him to keep Tricki on as a permanent guest. Those were days of deep content. Fresh eggs in the morning, wine at noon and finishing luxuriously around the fire with brandy. Who shouldn't like such a pleasant situation? After all, Dr. Herriot was a clever and worldly wise man.

8. Describe Tricki's stay at Dr. James Herriot's surgery, highlighting his behaviour and his rapid recovery.

Dr. Herriot found out quite early what was the real problem with Tricki. He knew that Tricki's only weakness was his greed for food. He therefore, wanted Mrs. Pumphrey to keep Tricki on a strict diet and give him plenty of exercise. Dr. Herriot instructed her that the dog be hospitalised under his observation for a fortnight. At the surgery Tricki looked down at the noisy dogs with dull eyes. He lay motionless on the carpet. The other dogs ignored him as an uninteresting object. A bed was made in a warm loose box next to the other dogs. For two days Dr. Herriot kept an eye on him. He gave him no food but plenty of water. He gave no medical treatment to Tricki.

Dr. Herriot's practical treatment worked. First, Tricki started taking an interest in his surroundings. His appetite returned. He started running along with the other dogs in the garden joining in their friendly barking. Then Tricki's stay at the surgery became quite enjoyable. His indulgent mistress gave him fresh eggs, wine and brandy. Even Dr. Herriot was tempted to keep Tricki as a permanent guest. However Tricki's recovery was quite rapid and he was handed over to his mistress. The grateful Mrs. Pumphrey thanked Dr. Herriot and called his feat "a triumph of surgery!"

9. The foolish indulgence and pampering of the rich mistress, Mrs. Pumphrey was the real cause of Tricki's miserable condition. Give a reasoned answer.

Overindulgence and pampering beyond a limit becomes unproductive. Be it a pet or a child, some discipline is very necessary. The rich and resourceful mistress was the main cause of Tricki's miserable condition. The entire staff and maids were there to look after the needs of Tricki. His day-bed night-bed, cushions toys, rubber rings, breakfast bowl, lunch bowl and supper bowl were always kept ready. Dr. Herriot rightly found that Tricki's only fault was his greed for food. Overfeeding of sweets, cakes and chocolates made Tricki hugely fat and listless. Had Mrs. Pumphrey followed Dr. Herriot's instructions sincerely, things would not have worsened so far. The doctor advised her to put Tricki on a strict diet and give him a plenty of exercise. It was necessary to cut down his intake of sweets. But foolish indulgence of the mistress ignores his saner advice. The result was disastrous. Tricki lost his appetite and started vomiting. Only when Mrs. Pumphrey was ready to send Tricki to surgery to Dr. Herriot's for a fortnight things started improving. The doctor gave him no food but plenty of water for a few days. It worked and Tricki's recovery was rather fast.
